

## **INNOVATION IN LAUNDRY TRANSPORTATION EQUIPMENT**

Dura-Cast continues to respond to requests from laundry managers who want innovative products that solve their problems. The challenge was to offer custom fitted cart covers available in a broad range of fabrics and colors.

### **The Laundry Managers' Problem**

The unnecessary expense of replacing clean linen and laundry that became soiled or wet before it arrived at its final destination.

### **The Equipment Problem**

Clean cart contents become soiled or wet because the cart covering is ineffective or falls off while in storage or transit.

### **PRODUCT DESCRIPTION**
